LEAGUE PARK, ST. LOUIS, July 16.—Ned Hanlon and his troupe of Trolley Dodgers began a series of three games here this afternoon. Since they were here last several changes have been made in the Brooklyn lineup, and Foxe Wed said this morning he was satisfied he had strengthened his forces for a bruising race down the homestretch and expected to land in third place.

He does not anticipate a howl over the signing of Tom McCreery at home, and claims that by the time the team returns to Washington Park the old turns in fielding and batting. Ned agrees that McCreery never amounted to anything as an infielder, but asserts that nobody has anything on him in the outer garden. Jimmy Sheppard backs him up in this, and says that the never had a better side partner than when McCreery was playing center field for the Trolley.

Hanlon brought with him five pitchers, the latest addition being Ham Doosher, a son of Herman Doosher, the old league umpire. The youngster is a left-handed pill puffer who was with the Chicago Microbes until yesterday. He was recommended to Hanlon by Jimmy Casey and Frank Seale, who induced to let him go to Brooklyn. The signing of Doosher means that Rube Vickers will get the tin can when the Doyleites reach home.

Schmidt took his turn on the slab for Brooklyn to-day and judging by the way he has beaten the Cardinals heretofore Hanlon figured the game safe. "Lusty Roadster" was down on the card to serve up a pass to first and the second. The weather was cloudy and threatening all morning, but just before the time for calling the game the sun broke through. The crowd was slim. Charlie Ebbets and Ned Hanlon will leave here to-morrow night to attend the special meeting in New York Monday.

First Inning.
Strang led off with a weak tap to Dunleavy and was out at first. Sheppard drew a pass to first and the second. Dobbs struck out. Doyle sent a liner to Donovan. N. runs.

Barclay hit to Dahlen and was doubled up with Smoot. Farrell scoring on the play. Burke's grounder, which big Broke found over Dahlen's head for a base and Donovan scored. Hackett hit to Flood, forcing Burke at second. Two runs.

Second Inning.
Kisling was only able to lace out a slow jumper, which Williams and Ganzel took care of. Kislinging mashed a hot grounder to Ganzel, which big Broke cleverly stopped and retired the matter at first. Barrett drew a high fly to Keeler and the Tigers took the field. No runs.

AMERICA LEAGUE GROUNDS, July 16.—The fourth and final game of the present series between Clark Griffith's aggregation of ball tossers and the Detroit Tigers was played at these grounds this afternoon in the presence of a few thousand rooters. The day was an ideal one for the same, as the sun shone brightly from a cloudless sky and the air was cool breeze blowing across the grounds from the Hudson, which kept both the players and the rooters cool and comfortable.

As this was the farewell appearance of the Tigers for some time Griffith was consequently anxious to lead the final game and thereby break even on the series. Griffith was undecided, however, who he would select to do the twirling against the Tigers. After watching Tannehill go through his warm-up-pitching stunts Griffith came to the conclusion that Tannehill had everything and he was selected to unload his hands on the visitors. Manager Eddie Barrow decided to give Big Kissinger a chance to twirl against the invaders, and with him in the box Barrow looked for a sure victory.
